About Me

From Spain and currently based in Germany. Strategic and data-driven professional with experience in E-commerce, vendor management, and growth strategies across international environments.

Skilled in performance analysis, promotional campaign management, and vendor-funded growth strategies. Experienced in defining OKRs, managing stakeholders, and working in fast-paced, agile environments with cross-functional teams.

Experience

International Trade Advisor in the Foods Sector **Düsseldorf, Germany**
Economic and Commercial Office of Spain in Düsseldorf Jan 2025– currently

- Advised Spanish food vendors on market entry and growth strategies in Germany, ensuring alignment with local regulations.
- Conducted market performance analysis and produced sector reports with PowerBi. Use of Salesforce as a tracking system to measure vendor engagement and performance KPIs.
- Coordinated with stakeholders at international trade fairs such as ISM or ANUGA in Cologne, securing promotional opportunities and drafting post-event strategic roadmaps.

Customer Onboarding Strategy Analyst **Madrid, Spain**
Openbank (Neobank from Grupo Santander) 2022–2023

- Analyzed the full customer conversion funnel to detect drop-off points and propose optimizations that improved user experience.
- Partnered with product teams to define feature requests, estimate business impact, and comply with legal and operational standards.
- Tracked and coordinated continuous improvement using Jira, applying agile methodologies (sprints, feature prioritization) and performed the user acceptance tests.
- Use of Quicksight to measure conversion and to support data-driven decision making across teams.

Brand Specialist in Consumables **Madrid, Spain**
Amazon Vendor Services 2021

- Acted as the main point of contact for 2 EU vendors, advising on performance growth, vendor-funded deals, and promotional activities.
- Designed and implemented promotional activities to improve visibility and conversion rates, increasing vendor margins by 15%.
- Analyzed deep sales and performance data to define quarterly KPIs and identify actionable opportunities for growth.
- Partnered with cross-functional teams (tech, marketing, operations) to deliver data-driven recommendations aligned with vendor objectives.

Business Development Intern **Madrid, Spain**
+Mercado – Business Accelerator 2020

- Designed go-to-market strategies for Spanish wineries; vendor positioning, commercial offers, and promotional activities.
